

I am a K-Love listener & financial supporter. K-Love is a very encouraging part of my day. The station helps me to maintain a true perspective. The uplifting words & beautiful music are such a testimony. I can't imagine my days without K-Love. I also feel strongly about the extremely positive impact the station makes on all the communities that are tuned into K-Love. I count it a true blessing, as well as a responsibility, to be God's hand extended through the gift of K-Love. It is my belief that the encouragement and truth that is shared by K-Love is definitely in the best interest of the public.
